

Report on Rally to Seaview YC 6/7 July 2024

We're not having much luck with the weather for boating lately!

Although we didn't go by boat, because of the high winds, some of us still made it for lunch at 1pm at the Yacht Club.

Iain, Polly and me went by bus from East Cowes, changing at Ryde for Seaview. Graham and Mike took the car and parked along the front at Seaview.

Great lunch under the covered sun area and a nice pint or two of Yachtsman's. Polly and Iain had to leave early as they were going to a Pim's evening at the East Cowes Marina. The two Mikes and Graham stayed longer for a desert and went back to East Cowes by car.

Seaview YC were very welcoming and said we could come back any time by boat or road.

The next Rally is at Southsea marina on the 10/11 August. Watch out for emails.
